

WHAT IS

# MATAWI + DCC

CLIMATE SUSTAINABILITY GOALS

## What is MATAWI + DCC

This is a Monetary/Service/Product based reward program for growing trees and plants in our ecosystems. This rewards are earned through our products which must be acquired through MATAWI or our Merchants. The Products are registered with DCC program and by use of metrics based on time, specifications these products are closely monitored to enable continued growth while rewarding our clients with loyalties for increasing green spaces.
